

UNIQUE ADVANTAGES OF WORKING WITH CNS LOGISTICS

CNS LOGISTICS optimizes client overall logistics & warehousing activities with the use of right ships, right aircrafts and right facilities.

FTA APPROVED DESIGNATED ZONE STATUS

Non-necessity to pay Excise Tax nor Value Added Tax for importing your excise goods - such as tobacco, tobacco products, energy drinks, and carbonated drinks - stored in our bonded warehouse, and for international re-export.

FREE TRADE STATUS

Non-necessity to pay Import Duties, nor Value Added Tax for storage and services inside the Free Zone and for re-export of cargo to other countries.

FULLY-COMPLIANT QUALITY ASSETS

CNS owns and operates various HSE and Green Logistics-compliant temperature-controlled, warehousing and distribution facilities and fleets.

SPECIALIZED LICENSES

To store and handle all kinds of commodities including hazardous cargo.

COMPETITIVE PRICING IN GLOBAL MARKET

CNS has 260 global offices across more than 220 countries, and service contracts with all the major shipping lines and airlines

CUSTOMER-CENTRIC & PERSONALIZED SERVICES

CNS is committed to deliver superior customer satisfaction through unparalleled flexibility to various business verticals. When others say no we say, **CNS CAN.**
