

UNIQUE ADVANTAGES OF CNS IN JEBEL ALI FREE ZONE (JAFZA)

01 **Free Trade Status with Specialized Licenses** to store and handle all kinds of commodities including DG (dangerous) cargo.

02 **Non-necessity to pay Import Duties, Excise Tax nor Value Added Tax** in authorized CNS Designated Zone Status Free Zone warehouse and for re-export of cargo (in transit to other countries).

03 **Easy & Quick Access** to the **Jebel Ali Sea Port** and **AI Maktoum Airport**

04 Jebel Ali Sea Port and AI Maktoum Airport is used as the **main re-export hub in the region**, which provides unique opportunities for shipping transit cargoes storage and value-added services.

CNS WAREHOUSING AND DISTRIBUTION/TRANSSHIPMENT HUB

Jebel Ali, Free Trade Zone, United Arab Emirates

Jebel Ali Free Trade Zone (JAFZA) is **magnet for international business** serving as a gateway to Middle East, North Africa, South Asia, Iraq and Central Asia markets.

- ▶ CNS' Logistics Hub is located in Jebel Ali Free Trade Zone (JAFZA) - the most efficient logistics, multi-country, transshipment and re-export hub with a community that supports various sectors such as **Oil & Gas, FMCG, automotive, chemical, Logistics, Construction, Steel, Machinery** and many more.
- ▶ **CNS Logistics is a licensed 3PL & Designated Zone Status operator in the Jebel Ali free trade zone bonded areas. Any company authorized by CNS can consign goods to CNS name without having to open their office/staffing or having a license to operate from the region. These companies can stock inventories at CNS approved designated warehouse without having to pay any Customs Duties, Excise Tax or VAT during the storage at CNS designated free zone and for re-export of cargo to other countries.**

On this basis, CNS Logistics can:

- 01** Issue delivery advice
- 02** Issue commercial invoice and packing list
- 03** Collect payment on behalf of these international companies from their buyers
- 04** Perform re-export, distribution /transshipment to their region or any global sector

- ▶ **CNS can connect cargo between the Jebel Ali Sea Port and the new AI Maktoum Airport**, easing sea-to-air and air-to-sea cargo by processing single customs Transit-IN/OUT document without keeping any customs duty deposits or paying any customs duty swiftly as CNS is located in between the two intermodals first in the region.
- ▶ CNS having the advantage of its location, **arranges shipment multi-country consolidation** and **eases transshipment to Middle East, Africa, CIS, and Indian sub-continent, or to any global destination.**
- ▶ **AI Maktoum International Airport Dubai World Central** further cements Dubai's leading position as a logistics and trade hub. It takes advantage of **Jebel Ali Port**, the largest man-made harbor in the world, and **seamlessly connects it to AI Maktoum International Airport** through the dedicated Dubai Logistics Corridor with hassle-free customs documentation.
