CNS SPECIAL FEATURES

COMPETITIVE PRICING IN GLOBAL MARKET

FREE TRADE STATUS

ESCROW SERVICES

FULLY-COMPLIANT QUALITY ASSETS

DIGITAL SUPPLY CHAIN SOLUTIONS

CUSTOMER-CENTRIC & PERSONALIZED SERVICES

CNS LOGISTICS connects cargo between the Jebel Ali Sea Port and the new Al Maktoum Airport, easing sea-to-air and air-to-sea cargo by processing single customs Transit-IN/OUT document without keeping any customs duty deposits or paying any customs duty swiftly as CNS is located in between the two intermodals first in the region.

CNS having the advantage of its location, arranges shipment multi-country consolidation and eases transshipment to Middle East, Africa, CIS, and Indian sub-continent, or to any global destination.

CNS MAJOR PROJECTS

- ❖ Executed comprehensive contract logistics solutions for high-value aircraft prototypes including supply of Manpower & Materials Handling Equipment.
- ❖ CNS Logistics customized a temperature-controlled dedicated warehouse, installed with secured caged & mesh structure & enforced high-end security, intelligence solutions & security alarm system integrated with Dubai Police & Civil Defence.
- ❖ CNS supported 24/7 expert handling & provided inventory management of over 80,000 part numbers of critical aviation parts, components & equipment.
- ❖ Accomplished a cargo project movement of 29 powerboats for Global Power Boats Racing teams. The powerboats were exported securely from Jebel Ali Port, UAE to Genoa Port, Italy in CNS-customized SOC flat rack containers with in-built cradles specifically designed for the shipment.
- ❖ Handled & cleared all 23,000 CBM of oil field equipment from Jebel Ali to Mostaganem, Algeria offering complete Logistics & Freight (ship charter) from supplier's yard to Mostaganem Port.
- ❖ Handled radioactive airfreight charter movement from Houston, USA to Muscat, Oman for a major oil field service company. CNS has cleared approvals from Civil Aviation Authorities, Federal Authority for Nuclear Regulator (FANR), police departments, and fire & security departments – to deliver the consignment safely.
- ❖ Handled 6000m of G-Grade cement break bulk shipment from Germany to Egypt & Syria for a major oil field service company on Monthly Charter on Agreement (COA) for two years. CNS's right choice of ships reduced cargo damages & overall cost.
- ❖ Provided a major oil company a custom-made temperature-controlled warehouse for their solar turbines worth US\$500 million. *A time-sensitive project accomplished on the perfect time.*
- ❖ Provided complete logistics support for a major oil & energy project forwarding company – including tailor-made facilities – for the construction of 2 off- shore rigs platforms.
- ❖ On- going, monthly COA basis five (5) full ship charters being handled for oil field services companies
