CNS LOGISTICS

MAJOR ACHIEVEMENT & MILESTONES

- 01** Executed comprehensive contract logistics solutions for high-value aircraft prototypes including supply of Manpower & Materials Handling Equipment.
- 02** CNS Logistics customized a temperature-controlled dedicated warehouse, installed with secured caged & mesh structure & enforced high-end security, intelligence solutions & security alarm system integrated with Dubai Police & Civil Defense for Storage & Distribution of high value aviation cargo parts
- 03** CNS supported 24/7 expert handling & provided inventory management of over 80,000 part numbers of critical aviation parts, components & equipment.
- 04** Accomplished a cargo project movement of 29 powerboats for Global Power Boats Racing teams. The powerboats were exported securely from Jebel Ali Port, UAE to Genoa Port, Italy in CNS-customized SOC flat rack containers with in-built cradles specifically designed for the shipment.
- 05** Handled & cleared all 23,000 CBM of oil field equipment from Jebel Ali to Mostaganem, Algeria offering complete Logistics & Freight (ship charter) from supplier's yard to Mostaganem Port.
- 06** Handled radioactive airfreight charter movement from Houston, USA to Muscat, Oman for a major oil field service company. CNS has cleared approvals from Civil Aviation Authorities, Federal Authority for Nuclear Regulator (FANR), police departments, and fire & security departments – to deliver the consignment safely.
- 07** Handled 6000m of G-Grade cement break bulk shipment from Germany to Egypt & Syria for a major oil field service company on Monthly Charter on Agreement (COA) for two years. CNS's right choice of ships reduced cargo damages & overall cost.
- 08** Provided a major oil company a custom-made temperature-controlled warehouse for their solar turbines worth US\$500 million. A time-sensitive project accomplished on the perfect time.
- 09** Provided complete logistics support for a major oil & energy project forwarding company – including tailor-made facilities – for the construction of 2 off- shore rigs platforms.
- 10** On- going, monthly COA basis five (5) full ship charters being handled for oil field services companies

CNS LOGISTICS

ADVANTAGES OF USING CNS LOGISTICS IN JEBEL ALI FREEZONE:

INTERMODAL AND MULTIMODAL HUB **Jebel Ali Sea Port**

Strategically located in Dubai, Jebel Ali port is at the crossroads of a region providing market access to over 2 billion people. As an integrated multi-modal hub offering sea, air and land connectivity, complemented by extensive logistics facilities, Jebel Ali Port plays a vital role in the UAE economy. Jebel Ali port has been voted "Best Seaport in the Middle East" for 20 consecutive years and is ranked the 9th largest container port worldwide and has the world's largest manmade harbor.

Al Maktoum International Airport

At the heart of Dubai World Central is the Al Maktoum International Airport. Built for the future, the airport final phases once completed, will have the capacity to handle 12 million tons of annual cargo capacity and 160 million passengers. It further cements Dubai's leading position as a logistics and trade hub. It takes of Jebel Ali Port (the largest container port between Singapore and Rotterdam) and seadvantageamlessly connects it to Al Maktoum International Airport through the dedicated Dubai Logistics Corridor & **connects all major highways** with single customs document

ETIHAD RAILWAY

COMING SOON...The Etihad Rail passenger train will connect 11 cities and regions across the UAE. It will stretch from Al Sila to Fujairah including Al Ruwais, Al Mirfa, Dubai, Sharjah, Al Dhaid, Jebel Ali and Abu Dhabi. Travelling from Abu Dhabi to Dubai and from Dubai to Fujairah will only take 50 minutes each in the future.

CNS LOGISTICS

ADVANTAGES OF USING CNS LOGISTICS IN JEBEL ALI FREEZONE:

Jebel Ali free trade zone is the Largest Trading, Distribution and re-export Hub of the Region, with the efficient Sea Ports, Air Ports, and Free Trade Zone and infrastructure supporting logistics operations.

Customs Duty-Free & VAT-Free Trade Zone. Non-necessity to pay Import Duties, nor Value Added Tax for re-export of cargo to other countries.

Reduced on-the-ground time and accelerated flow for **sea-to-air, air-to sea shipments** via the Multi-modal Transport system of **Jebel Ali Sea Port and Al Maktoum International Airp**

Jebel Ali Free Trade Zone (JAFZA) is magnet for diverse international business, ranging from FMCG, Branded High-Value Products, Retail, Aviation and Automotive spare parts industry, Projects and Heavy Lifts, Metals, Hardware & Tools, and other industrial products.

Jebel Ali Sea Port and Al Maktoum Airport is used as the main re-export hub in the region, which provides unique opportunities for shipping transit cargoes storage and value-added services. The ports serve as a gateway to **Middle East & GCC, Africa, South Asia and Central Asia markets, and CIS Countries.**

According to the Dubai Customs, **the total foreign trade volume in Jebel Ali Port in 2021 was AED 1.364 trillion**, which includes both oil and non-oil trade. **The non-oil trade volume in the same year was AED 1.065 trillion**, which accounts for approximately 78% of the total foreign trade volume. Non-oil exports accounted for AED 135 billion, non-oil imports for AED 644 billion, and re-exports for AED 285 billion.

CNS LOGISTICS

CNS LOGISTICS ADVANTAGE IN JEBEL ALI FREEZONE:

Jebel Ali is the Largest Trading and Distribution Hub of the Region, with the efficient Sea Ports, Air Ports, and Free Trade Zone and infrastructure supporting efficient logistics operations.

The non-oil total foreign trade volume, especially in the Jebel Ali region has been on the rise - recorded at Dh 1.17 trillion in the first 9 months of 2017. - which is a very favorable growth rate considering shipping and logistics companies.

Jebel Ali Sea Port and Al Maktoum Airport is used as the main re-export hub in the region, which provides unique opportunities for shipping transit cargoes storage and value-added services. The ports serve as a gateway to Middle East & GCC, Africa, South Asia and Central Asia markets, and CIS Countries.

01

02
